## LATE FOREIGN NEWS.

(Per S. S. Mariposa.)

When Will That Be?

CHICAGO, Nov. 13.—The Times-Herald claims to have trustworthy information that plans for the annexation of Hawaii have already been arranged. It says that Cleveland is ready to negotiate the treaty after the electorate of the republic has formally expressed its wishes.

### Campes' Radical Methods

KEY WEST, Fla., Nov. 12.—The Spaniards have arrested Ernest Brooks, a British subject, and manager of Soledad Sugar plantation; Messrs. Lacot and Huguet, French citizens, and several Americans engaged in business at Guantanamo. The British, French and American Vice-Consuls demanded the release of the prisoners, but the Spaniards refused. Spanish authorities assert that the men arrested have paid tribute to the insurgent chief, Maeco, and have also smuggled arms.

The Spaniards, at the instance of General Campos, have also arrested about fifty boys, members of the most prominent Cuban families in Guantanamo, to be held as hostages for the loyalty of their parents. It is reported in Havana that Campos will order under arrest the young sons of leading Cubans in all the provinces, hoping thus to prevent the spread of the revolution.

Recently Martinez de Campos offered clemency to all Cubans who would surrender. Believing Campos was sincere fifty insurgents gave themselves up in Santa Clara some days ago. These men were brought to Havana in chains, and will be transported to a Spanish prison. Campos' treachery has aroused intense indignation.

### The Turkish Crisis.

CONSTANTINOPLE, Nov. 13.—Tewfik Pasha has assured the ambassadors that the measures to be taken by the Porte for the suppression of disorders in Asia Minor will be presented "without delay."

The Hali Rifat Ministry is said to be tottering, and another Cabinet change is likely to occur at any time. Rumors concerning the possible deposition of Abdul Hamid are still current.

Fresh disturbances are reported from Malitiah, where a number of persons have been killed, including four priests of the Society of Jesus under French protection.

The French Ambassador, M. Cambon, is preparing a strong representation on this subject to the Porte. A squadron of five French war ships has sailed from Pireus for Turkish waters.

Replying to the inquiry of United States Ambassador Terrell as to the safety of American missionaries, Commissioner Darnham telegraphed from Harput that the missionaries are alive, but are in extreme danger. Terrell has informed Tewfik Pasha that his Government will be held responsible for the safety of Americans. The Turkish Minister for Foreign Affairs has assured Terrell that everything possible will be done for their protection.

The Turkish officials claim that some Armenians recently captured in arms against the Sultan had Russian rifles and ammunition in their possession.

The army needs money for pay, equipment and provisions and the same state of affairs prevails in the navy, but the arrears of pay are not forthcoming, and there is much grumbling in consequence.

London, November 13.—The Daily News this morning prints a dispatch from Odessa to the effect that it has been officially announced that the
